

October 17 – 21, 2016

I keep the LORD always before me; with him at my right hand, I shall never be shaken. ~ Psalm 16:8

MONDAY

I am looking forward to our first PTA sponsored Cupcake Wars this evening! All are welcome!

I am also looking forward to our first Robotics and Engineering after-school program beginning today offered by Small Factory Productions. Due to the high interest in this program, provided all goes well, I hope to have another class offered. I'll keep you posted!

TUESDAY – HEAVENLY HAT DAY

Today our Social Justice Group is sponsoring Heavenly Hat Day. Heavenly Hats is a non-profit organization started by Anthony D. Leanna when he was 10 years old. Heavenly Hats provides hats to cancer patients and all patients who have lost their hair due to medical treatment or disease. To help Heavenly Hats continue their good works, we are asking everyone to donate one dollar and wear their crazy or favorite hat. Heavenly Hat Day is not only a day to have fun and be happy, but also to make someone else happy. One dollar and one hat can make a big difference in another person's life. Thank you for your support.

I will be out today attending a Diocesan meeting at the Chancery in Trenton.

WEDNESDAY

Please look for Progress Reports going home today. Just a reminder, our school policy states if your Tuition, Before/After Care, Lunch accounts are not up-to-date, progress reports will not be sent home and access to PowerSchool will be denied. If you have any questions regarding your account, please call Mrs. Oliveira, school bookkeeper in the main office ext. 317.

Added to the Progress Reports is a teacher "Conference Request". There will be an online sign up for conferences beginning next week.

Lifetouch forms for pictures will also come home today. School pictures are scheduled for October 27 and all students PK-8 will be photographed as all students will be in our yearbook.

Finally, textbook forms are being sent home and need to be returned by 10/28.

THURSDAY

This morning we again welcome 2,3, and 4-year-old students who are attending our Books & Bounce program.
