5th Annual  
**POLAR BEAR PLUNGE**

**FREEZIN' FOR A REASON**

Dear Friend of St. Aloysius:

Last year, close to 1,000 brave souls plunged into the Atlantic Ocean on a cold, windy January day as part of the Ancient Order of Hibernians ("AOH") annual Polar Plunge fundraiser to benefit local Catholic schools. Nearly another 1,000 people were there to cheer them on. Once again, Saint Aloysius School and the Jackson community hope to add significantly to those numbers!

Saint Aloysius School will be participating in the AOH Annual Polar Plunge For Catholic Schools on January 8, 2017 in Long Branch.

Funds raised from this event help to defray the cost of educational field trips and in-school programs for which the school receives no State funding. **100% of the proceeds from this event are returned to the school and directly benefit our students.**

This is an important fundraiser for our school, and we are asking for your support as a corporate or individual sponsor. Any help you can offer will be very much appreciated and, as set forth below, will be recognized in a variety of ways. We offer several levels of support.
